Bell Equipment Company

Fifteenth Annual Open House & Equipment Show
Thursday, May 13, 2010
10:00 A.M. - 3:00 P.M.

Bell Equipment Company has been supplying Michigan's Solid Waste Industry, Municipalities and Contractors with high quality equipment since 1951. We invite you to visit our 20,000 square foot Sales, Service and Parts facility in Lake Orion. You will be able to see and or gather information on the following products:

- Vacuum and regenerative air street sweepers
 - Three and four wheel mechanical street sweepers
 - Waterless street sweepers
 - Sidewalk sweepers
 - Replacement brooms and brushes
 - Vacuum catch basin cleaners
 - Leaf collection machines
 - Salt spreaders and liquid applicators for snow and ice control
 - Snow plows and snow pushers
 - Automated brine making machines
-
- Hydraulic, articulating tractors with accessories and attachments
 - High compaction rear loading refuse bodies
 - One man, side loading refuse vehicles including manual, semi automated and fully automated units
 - Commercial and residential front loading refuse vehicles
 - Small satellite type refuse collection units
 - Recycling vehicles
 - Bulk trash and refuse loaders
 - Roll off hoists and hook lifts
 - Cart and container tipplers
 - Roll out refuse carts and recycling containers
 - Truck axle systems including tag and pusher axles
 - Pothole patching equipment
 - Scale systems
 - Rear vision camera systems

Many factory representatives will be available to answer questions and provide technical assistance. Anyone who may benefit from attending is welcome.
