Got Brine??? **Bell Equipment Does!!!!**

Bell Equipment Company, the authorized Cargill AccuBrine dealer for the State of Michigan, is pleased to announce that we are now manufacturing and offering for sale liquid salt brine for snow and ice control at our Lake Orion, MI facility.

This is pure manufactured salt brine. This is *not* well brine. Our brine is made at a consistent 23.3% concentration level and contains no aggregate, sand or other byproducts commonly found in well brine.

The use of salt brine has proven to be one of the most cost effective and environmentally safe practices for snow and ice control. If true cost savings and salt usage reductions are your objectives, you need to explore the benefits of salt brine!

Production begins September 1st and can either be picked up at Bell Equipment Company or shipped to your location via liquid tanker.

Call *Bell* Equipment Company toll free at 866-597-0716 for pricing and to schedule delivery today!
